W.O.W.

Wax On Wheels is a family owned and operated business that has been providing the metroplex with a superior auto washing, waxing and detailing service since 1987.

The innovative "Come To You" format that **Wax On Wheels** uses makes it easy for you to maintain the appearance of your valuable automobile without the hassle of long lines at the regular car wash. We make it easy by coming to you! We can come to your office or residence to take care of your vehicle at any time that is convenient to you.

Our personal service and attention to detail makes us the best option for preserving the value of your vehicle. A program of regular detailing is proven to help protect your automobile from the Texas elements, thus prolonging its life and helping to defer the depreciation process.

With our service it's easy to keep your car in tip-top showroom condition. Our hand washing and waxing will brighten and lengthen the life of your vehicle. One phone call is all it takes to give your vehicle the pampering it deserves.
